

BAY RIDGE PREP

College Acceptances

By building a relationship with each student, our guidance team's individualized approach enables our students to connect to a wide range of colleges. Our graduates matriculate to liberal arts colleges, Ivy League institutions and top tier art schools.

The Guidance Department also offers student and parent workshops on topics such as finding the right college, securing scholarships, applying for financial aid and organizing the college search process. Below is a selection of colleges and universities where Bay Ridge Prep students have been accepted to over the last five years.
